

RootBoneMapper

```
graph BT; A[TriLibCore.Mappers.ByName<br/>RootBoneMapper] --> B[RootBoneMapper];
```

The diagram illustrates a mapping relationship. At the top, a white rectangular box with a black border contains the text 'RootBoneMapper'. Below this box, there are two blue arrows pointing upwards towards the bottom edge of the box. These arrows originate from a grey rectangular box at the bottom. This grey box contains the text 'TriLibCore.Mappers.ByName' on the first line and 'RootBoneMapper' on the second line.
