

MonoBehaviour

```
graph BT; A[TriLibCore.AssetUnloader] --> B[MonoBehaviour];
```

The diagram illustrates an inheritance relationship. At the bottom is a grey rectangular box labeled 'TriLibCore.AssetUnloader'. Two blue curved arrows originate from the top of this box and point upwards to a white rectangular box with a black border labeled 'MonoBehaviour' at the top. This visualizes that 'TriLibCore.AssetUnloader' inherits from 'MonoBehaviour'.

TriLibCore.AssetUnloader
