

AnimationClipMapper

```
classDiagram
    class AnimationClipMapper
    class SimpleAnimationPlayerAnimationClipMapper["TriLibCore.Mappers.Simple AnimationPlayerAnimationClipMapper"]
    SimpleAnimationPlayerAnimationClipMapper --|> AnimationClipMapper
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AnimationClipMapper'. Below it is a larger, shaded box labeled 'TriLibCore.Mappers.Simple AnimationPlayerAnimationClipMapper'. Two blue arrows point upwards from the shaded box to the 'AnimationClipMapper' box, indicating that the shaded class inherits from 'AnimationClipMapper'.
